TC OLSEN-HEGAR NEEDLE HOLDER

Product Number: 21-8028

6-1/2" TC Olsen-Hegar Needle Holder Serrated Tungsten Carbide

Sklar's® Olsen-Hegar TC Needle Holder is a ratcheted, finger ring instrument that also has built in scissors. It is used with intermediate weight sutures, commonly in plastic surgery procedures. Sklar permanently bonds tungsten carbide inserts to the instrument, which maximizes control and precision. This product is straight with cross-serrated tips, and an overall length of 6-1/2 inches.
