MERIT OPERATING SCISSORS - S/S, 5-1/2"

Product Number: 97-275

5-1/2" Merit Operating Scissors, Straight, Sharp/Sharp

Merit™ Operating Scissors, also known as Surgical Scissors, are a versatile surgical instrument. With three available tip configurations (sharp/sharp, blunt/blunt, or sharp/blunt), varying curvatures and multiple lengths, these scissors are used for general, multipurpose cutting and dissecting. Sharp Operating Scissors cut tougher tissue and are frequently used for dissecting, whereas blunt Operating Scissors are more often used for cutting materials such as sutures, tubing, or gauze. Merit™ instruments are Sklar's office-grade line of products and most commonly utilized for routine and in-office minor procedures. These cost effective, high quality instruments are crafted from Pakistan steel and come with a 10 year guarantee. Merit™ instruments deliver an economical solution for physicians and practices that require quality, durable instruments. This product is straight with smooth, sharp/sharp tips and a length of 5-1/2 inches.

Additional Information

Length	5-1/2"
