MERIT IRIS TISSUE FORCEPS

Product Number: 98-142

4" Merit Iris Tissue Forceps, 1x2 Teeth, Straight

Merit™ Iris Tissue Forceps are most commonly used for grasping and handling tissue in ophthalmic procedures. The narrow tips, however, allow this instrument to be beneficial for use in other microsurgical procedures as well. Merit™ instruments are Sklar's office-grade line of products and most commonly utilized for routine and in-office minor procedures. These cost effective, high quality instruments are crafted from Pakistan steel and come with a 10 year guarantee. Merit™ instruments deliver an economical solution for physicians and practices that require quality, durable instruments. This product is straight with 1x2 teeth and a length of 4 inches.
